The Wilderness

The wilderness people live like they did in the old days, in wooden cottages. They travel by horse and cart or on foot and cook their food on open fires.

Can you make some drawings or paintings of the life of the People of the Wilderness?

Is it really a wilderness?

Why do the ones who live in Stone City call it The Wilderness?

Can you imagine the words of some songs they might sing while they work, songs about their life in the Wilderness?

Why do they call the mountain The Sacred Mountain?

Can you draw or make a model of it?

Can you think of the words of a song about The Sacred Mountain?
