

**VOICES IN THE WILDERNESS**  
***a visual resource***

**What's happening Beyond?**

the Weird Buildings

the mine in the Sacred Mountain

What is going on in those weird buildings?

What does it have to do with the mine in the Sacred Mountain?

How will it enable the Big City Bosses to go to Beyond and get Power from Beyond?

What is Beyond and how do you get there?

Is it some kind of Portal?

Could you draw it or build it?
