

## 2022 Membership Fees

It is the policy of The Big Reveal to keep membership fees to the absolute minimum such that no-one is ever prevented from taking part on the basis of cost. The fees are used to help cover the cost of venue hire, public liability insurance, DBS check fees, fees for the use of sheet music (copyright charges), printing of tickets and flyers and in the case of The Revelation Strings, food and drink during rehearsals and concerts.

Fees are charged on a termly basis and are due at the first rehearsal of the term prior to taking part in the session. For any participants under the age of 16 we will also need a parent or guardian to submit a completed application form (downloadable from the membership section of the website). No child will be able to take part without one as this is a legal requirement in relation to safeguarding procedures.

Please also note that all members under the age of 16 must be accompanied by a parent or nominated guardian at all times during rehearsals and concerts. Please do not just drop children off and leave them as we are not in a position to take responsibility for their safety in your absence.

For more information regarding our policies on data protection, child safeguarding, equality and diversity and our public liability cover please go to the "Policies" page on our website.

There are three terms per year, Spring Summer and Autumn.

Orchestra	Termly Fee	Annual Fee (paid in advance)
Revelation Strings	£7.50	£15.00
The Revellers	£5.00	N/A

If the costs of membership present a barrier to you or your child taking part please contact David Burrige in confidence and your application will be handled with the utmost discretion.

- **Please note that in line with Charity Commission rules, under 18's members do not have voting rights at the Annual General Meeting.**
